Celeste Junior High
Minecraft Rules

● You will do your part in whatever project you are involved with.

● You will not edit anything someone else has made without their consent.

● You will respect others work and not make rude or unkind comments on their project.

● You will work together to help someone learn something that they do not currently know about Minecraft.

● You will show kindness and respect to others.

● You must use your name when using MinecraftEDU.

● Use of TNT or Fire is prohibited in any school project on a MinecraftEDU Server.

● No potions are to be used on other players or yourself. (No Exceptions)

● No spawning animals unless it is appropriate for your project.

I will abide by these rules.
